WOLVERHAMPTON SUMMER LEAGUE

The three division winners were G.E.C. Stafford, Rushall and Brewood. All three have received a team trophy plus individual medals. A final Newsletter was sent away by myself for typing together with stamped and addressed envelopes at the beginning of August. These vanished into thin air. I trust the Grading Officer will get his copy.

ADJUDICATIONS

I have been informed that errors are being made when requests are being made for adjudications. All claims will be lost should either or both claims contain inaccuracies.

The handicap of 1½ per Division difference ensured wins for Brewood (2¼) West Midlands Police (2¼) and Stourbridge (1½). It is regrettable that not only did Telford, Penkridge and John Thompson default but no reason was forthcoming nor result card from the defaulters. Union Locks did send a result card.

The draw for the 2nd Round is complicated because 7 clubs are due for away games under the competitions rules. In view of the 1st Round defaults, only those clubs who actually played will have the venue of the 1st Round reversed.

Draw:- WEST BROMWICH v BUSHBURY WOLVERHAMPTON v W.M. POLICE (2¼)
 GOODYEAR (1½) v STOURBRIDGE LICHFIELD v BREWOOD (2¼)
